

WhatsApp Ads Experiment for Six Squad

Effectiveness of WhatsApp Business Ads for high-end Streetwear

Team:
Madhumitha Sriram
Fahad Alsubaie
Raiymbek Ordabayev
Olimpia Borgohain
Rohit Devanaboina

Introduction to Six Squad

- Fast-growing sneaker & streetwear business based in Kazakhstan
- Founded December 2022 (15 months)
- 2 brick-and-mortar stores + website
- \$1 Million in Revenue till date

Store #1 (FORUM)

Store #2 (Dostyk Plaza)

Introduction to Experiment

What:

- Evaluate effectiveness of WhatsApp bot marketing messages
- Analyze consumer response to standard vs. 'nudge' messages

How:

- A WhatsApp Ads experiment with a control & 2 treatment groups
- Analyzing data on click rates, conversion rates, and purchase propensity

Benefits:

- Marketing recommendation (Is it worth it?)
- Improve message effectiveness

The background of the slide features a photograph of several pairs of sneakers, including a prominent white and green pair, resting on a dark shelf. This scene is viewed through a chain-link fence, which adds a layer of texture and depth to the composition. The lighting is somewhat dim, creating a moody atmosphere.

Experiment Design

Experiment Design

Objective

- Test the **effectiveness** of Ads and Nudges
- Products - **Nike Air Force 1 '07** sneakers
 - 2 variants - black/white, white/black
- Target - **1,549 members** in loyalty program

Experiment Design

Tools that were used to conduct an Experiment:

- Six Squad's Microsoft SQL Server (to extract loyalty program and sales data)
- gupshup.io (to create WhatsApp message templates)
- vk.cc (to count click rate)

Experiment Design:

Unit of Randomization:

- Member-ID (member level)
- Blocking based on **past transactions and net sales**, to make sure that each arm are the same in term of past transactions and net sales.

Outcomes:

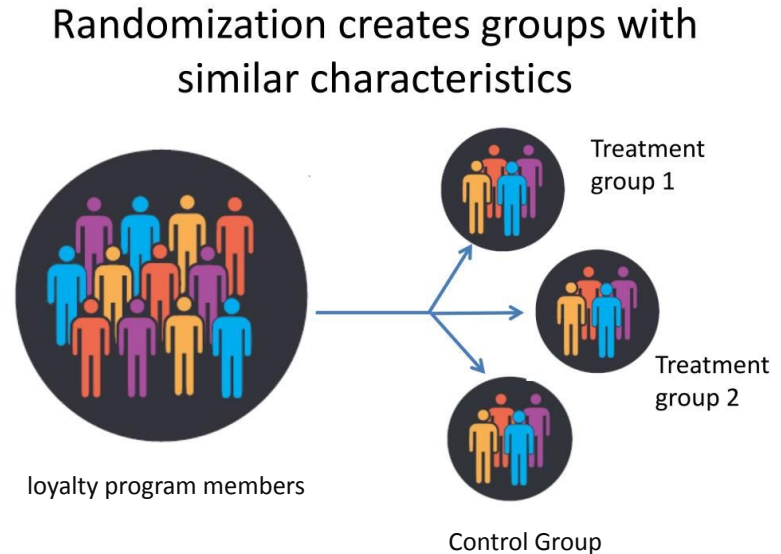

- Click Through Rate
- Total Transactions
- Quantity (of Items)
- Conversions (for promoted products)
- Net Sales (cart value)
- Purchase Propensity (at least 1 purchase)

Experiment Design:

Treatment Arms:

- **Control Group:**
 - No promotional message
- **Treatment Arm 1 (Status Quo Ad):**
 - Received Six Squad's standard WhatsApp message
- **Treatment Arm 2 (Nudge-Based Ad):**
 - Received nudge-based advertisement, w/ video

Experiment Design: Standard AD

Message:

Дорогие друзья, участники SIX SQUAD CLUB!

Классические Air Force 1 уже в наличии!

Освежите свой стиль с легендарными кроссовками Nike Air Force 1 — символом индивидуальности и комфорта. Уникальный дизайн и высокое качество сделают каждый ваш шаг стильным и уверенным.

Launch

1 week results (from Sunday to Sunday)

The background of the slide is a photograph of a tennis court. In the foreground, a pair of white and green tennis shoes is visible, resting on a dark surface. Behind them, a chain-link fence runs diagonally across the frame. The overall lighting is dim, giving the image a moody, dark appearance. A white rectangular border is superimposed over the center of the image, containing the word "Results".

Results

Randomization Checks

The background of the slide features a close-up, slightly blurred photograph of several sneakers resting on a dark, metallic mesh surface. The sneakers are in various colors, including white, black, and green. The lighting is dramatic, with strong highlights and deep shadows, creating a textured and industrial feel. A semi-transparent dark rectangle is overlaid in the center, containing the title text.

Business Recommendations

Business Recommendations

- Focus marketing spend to attract **new customers**, not loyalty members
- Try personalising ads by customer segment
- Keep conducting more experiments

The background of the slide is a photograph of a sneaker store. In the foreground, a pair of black and white sneakers with green accents is visible. Behind them, a chain-link fence runs diagonally across the frame. In the background, more sneakers are hanging on display racks. The entire image is dimmed and has a dark overlay.

Challenges & Future Work

Challenges & Future Work

Power of Experiment:

- Need more customers to increase the power of experiment
 - ~30,000 customers for 80% power

High-end products:

- Since, it is a high end product conversion rate is less

Duration of Measurement:

- At least one month, to account for short-term fluctuations

The background of the image is a dark, moody photograph of a basketball court. A chain-link fence is visible in the upper right, and several sneakers are scattered on the court floor. A large, dark, semi-transparent rectangle is overlaid in the center, containing the text "Thank You!".

Thank You!

The logo for "SIX SQUAD" features a stylized white outline of the state of Texas to the left of the text "SIX SQUAD", which is written in a bold, white, sans-serif font.

SIX SQUAD

Appendix

The background of the slide is a photograph of several pairs of sneakers displayed on shelves. A chain-link fence is positioned in front of the shelves, creating a grid-like pattern over the image. The lighting is somewhat dim, and the colors are muted, with a dark overlay at the bottom where the text is located.
